December First Friday Art Walk at
Highway Grrls Gallery
in the beautiful Eau Gallie Arts District

Come enjoy the festivities at **Highway Grrls Gallery** on December 5th from 5PM to 9PM as **Robin Rothrock** shows and offers for sale her recent creations while demonstrating at the **Artworks Art Show** the weekend before Thanksgiving in the beautiful **Eau Gallie Arts District**.

Robin demonstrates her techniques at the Artworks Show.

Robin has several new paintings including a BEAUTIFUL woven piece of painted paper on canvas utilizing her trademark golds, blues and greens. Additionally several wooden boxes and planks are newly painted and ready to give as unique gifts. You can buy one to stand alone or several to use in grouping. Additionally, Robin now has a large circular piece of acrylic hanging in the window of **Highway Grrls** and with it back lit it looks exceptionally pretty at night!

Come by and enjoy **Highway Grrls** and Highland Avenue all decked out for the holidays and celebrate the season with art! Robin is working on at least one "Christmas-themed" piece and has fellow artists including **Maximilian Rener** doing the same. Galleries and shops will be open up and down **Highland Avenue** with the **Brevard Art Museum** offering **Jazz Friday** featuring the **Ron Pirtle Quintet**. **Highway Grrls** will have the **Mark Baker Band** performing out front so yet again there is something for everyone in the beautiful **Eau Gallie Arts District!** So come on out and party with art!
