

Luke Andrews

First Friday Art Walk
May 1st 5:30pm - 9pm

Back By Popular Demand

Born in Leesburg, Florida, 33 year old Luke Andrews received his Media Arts Degree from the University of South Carolina. Upon Graduating, Luke traveled to Milan, Italy and fell in love with the country. He soon began attracting gallerists and art collectors with his unique style of landscape and cityscape paintings. Since 2000, Luke has split time between studios in Milan and Central Florida. A regular exhibitor in Italy and throughout Europe, Luke has had his Central Florida paintings exhibited in the Orlando Mayor's Gallery at City Hall and the Orlando Museum of Art, among other Florida venues. Best known for his vibrant, colorful cityscapes and landscapes, Luke's medium of choice is acrylic paint on canvas.

Joining Andrews, whose work will be shown on the patio, Highway Grrls' regulars, Robin Rothrock and Humberto Rebollo will be on hand as well. Robin will present her new work in the gallery, while Humberto will be showing his work in the front of the gallery adjacent to the Mark Baker Band.

Max Renner, another regular Highway Grrls gallery artist, is still on sabbatical doing technical work in Southern France and soaking in the magical artistic atmosphere of Western Europe. He will be returning soon bursting with inspiration and ready to share his new art with all of Eau Gallie.

DON'T MISS the live music, tasty hors d'oeuvres and brilliant artwork in the beautiful Eau Gallie Arts District along the scenic Indian River. Come join us for First Friday Art Walk!
